

LLCIS+

Language Learning and Cultural Integration
Support Project for Migrants and Refugees

Design an AI-Supported Learning Activity for Migrants and Refugees

Erasmus+ Training Session

Co-funded by
the European Union

Group Challenge

Work in small groups to design a **30–45 minute learning activity** supported by AI and digital tools that addresses the needs of migrants or refugees and promotes personalised, inclusive and accessible learning.

Learner Profile

 Recently arrived in Portugal

 A2 level of Portuguese

 Basic digital skills

 Looking for employment

 Needs support with language, digital competence and social integration

Activity Design Framework
